Speaker, Virginia Brunini
Marin Association of Realtors
"The Truth About Real Estate
in Marin County"

Virginia Brunini became a REALTOR® in 1979 when she entered Real Estate as a commercial-investment agent. She had previously been the manager of the Marin/Sonoma Assembly office and spent ten years working for the California State Legislature.

In 1981, Virginia became a Real Estate Broker and later qualified for the "Certified Residential Specialist" and "Seniors Real Estate Specialist," professional designations she now holds.

Virginia served on the Board of Directors of the Marin Association of REALTORS®, chaired many of the Association's committees and, in 1999, was named "REALTOR® of the Year." She now serves as Marin County's representative on the Board of the five-county Multiple Listing Service (BAREIS).

Virginia has been a contributing community member since her arrival in Marin County in 1966. She is a member of the Advisory Board of The Salvation Army and a Director of the Richardson Bay Sanitary District. She has been a Tiburon Planning Commissioner, chair of the Marin Economic Commission, is a past president of the Tiburon-Belvedere Rotary Club and is a current member of the Tiburon Peninsula Chamber of Commerce. A longtime Tiburon resident, she operates Virginia Brunini Real Estate in downtown Tiburon.

In her talk, Virginia will give a snapshot of the real Real Estate market in Marin as contrasted to what is being told in the news. She will explain the difference between the Marin market and statewide and national statistics.

Business of the Month Salon One Day Spa, Maggie Champagne

The new DeLano's IGA grocery store isn't the only big change that's happened at the Cove Shopping Center – Salon One Day Spa, under new ownership since November, has a whole new look!

Situated next to Milano's, the salon is the last storefront you go by as you exit the parking lot, and you can see the new sitting area through the window when you drive past. The look is elegant and upscale but still warm and inviting. You just feel like you want to go in and sit (or take a nap) on one of the big overstuffed couches.

I am very pleased with the way our minor remodel turned out but, I must admit that I never intended to do (or spend) so much. All I really wanted was to replace the antiquated computers, update the software and move the reception desk so it would be the first thing you saw when you walked in. As usual, one thing led to another, that led to another, that ... well, the kind words and praises we are still hearing from our clients tells me it was worth it. I guess I'll just have to book a few more facials and massages and sell a few more products... for the next few years! (ha, ha – just kidding, sort-of!)

Although the "look" of Salon One Day Spa has changed, the services we offer and the products we carry have not. Our "menu" of services still lists an extensive array of treatment options for facials, massage, hair, nails & waxing.

Each staff member is professional, experienced and exceptionally talented in his/her specialized profession. I have been very fortunate when it comes to finding and keeping the best staff.

Ahn and Tracy (nails), Natalie (hair) and Rachelle (massage) have all been loyal employees at Salon One for many years. JoAnne (our new esthetician), with over 18 years experience, is truly exceptional. Our clients say she is "the best esthetician I have ever had" and they are right! Torrie (hair) has proven to be another very popular new staff member. One of her specialties is "up do's," and she is fantastic. Our newest staff member is Mary (massage) who came to us with over 15 years experience and an incredible variety of techniques.

The products that we use and retail are all exclusive – Aveda, Bumble and Bumble, Rene Furterer, True and Pevonia. Although these are not the only "names" we carry, they are our main lines. Why? Because they are the best of the best!

Salon One Day Spa is open Monday through Saturday, 9:00 a.m. to 6:00 p.m., plus Tuesday & Thursday evenings until 9:00 p.m. On Sundays and holidays, we are open by appointment. Phone: 380-9111.
